A

May 15, 1939

Mr. John A. Lomax Huntsville, Texas

Dear Mr. Lomax:

We have ordered the records for you and they should reach you soon.

I appreciate Miss Terrill's co-operation in this venture and I know that her work will prove very useful to all of us.

I have ask Mr. Henderson to make the lists you requested and shall send them to you as soon as they are ready.

I am surprised to hear that you are still in doubt about the Gamut matter because I settled that with the Librarian immediatedly and thought that I had notified you of this. I did write to Mr. Wolfert and Alan about it, and I am sure that everything has been arranged.

With kindest regards,

Sincerely,

Harold Spivacke Chief, Division of Music
